- Construction & Engineering Firm
- Origin Site: 4,000 SF
- Destination Site: 11,538 SF
- 37 Full-Time Employees

## PROJECT SCOPE:

- Construction Oversight
- Office Reconfiguration
- Furniture Installation
- Technology Integration
- Temporary Storage
- Move Management
- Decommissioning Services

## PROJECT HIGHLIGHTS:

In planning for the consolidation of two key locations, the client team sought to reconfigure the destination site to accommodate the influx of employees while remaining fully operational in both locations. With vendors and project team members from both in and out of state involved in the process, detailed coordination and planning proved vital in the success of the project.
